

## FITTINGS INFORMATION SHEET

# Foot Valves with Strainers

Revision: 27.09.2026

This document reflects catalogue data on 27 September 2026.

Compare foot valves in nominal connection sizes from 1" to 4". The 1"-2" and 2 1/2"-4" ranges have different body designs, shown separately. Verify the pump line and installation conditions before ordering.

**Price and availability: on request**

Request a quotation with the product code, size, quantity and delivery destination. No prices or technical values beyond the published catalogue information have been added.

Pack quantity is not an order or minimum order quantity; confirm current packaging in the quotation.

**Foot Valve with Strainer**

| Product code  | Size   | Pieces per bag |
