

PRODUCT INFORMATION SHEET

Heavy-Duty Red Discharge Hose

Revision: 27.09.2026

This document reflects catalogue data on 27 September 2026.

Use discharge hose for the specified delivery-line duty. Suction and discharge service are different; positive pressure and vacuum suitability require separate technical data.

Catalogue options

Catalogue size	Published class	TRY / metre
1"	Not stated	39.96
1 1/4"	Not stated	48.84
1 1/2"	Not stated	66.60
2"	Not stated	104.34
2 1/2"	Not stated	153.18
3"	Not stated	222.00
3 1/2"	Not stated	299.70
4"	Not stated	372.96
5"	Not stated	510.60
6"	Not stated	701.52

Listed prices exclude VAT.

Price, stock, quantity discounts, cutting/roll options and freight are confirmed in the written quotation. This document states no price-validity period or delivery commitment.

Sizes use the catalogue nominal designations. An inch conversion does not replace actual inner/outer diameter or connection tolerance data.

Technical review

Verify actual inner/outer diameter, tolerances, material, temperature, fluid and outdoor suitability against the selected product's current technical information. Unverified values are not added to this sheet.

Quotation details

Share the product name or code, size, total metres/pieces, required continuous lengths and delivery destination. Include operating conditions and any documentation requirements.
