

PRODUCT INFORMATION SHEET

Heavy-Duty Yellow Suction Hose

Revision: 27.09.2026

This document reflects catalogue data on 27 September 2026.

Compare construction, required vacuum and bending needs. Standard or Heavy-Duty in the name does not state a numerical vacuum rating.

Catalogue options

Catalogue size	Published class	TRY / metre
1"	Not stated	57.72
1 1/4"	Not stated	75.48
1 1/2"	Not stated	95.46
2"	Not stated	155.40
2 1/2"	Not stated	222.00
3"	Not stated	295.93
3 1/2"	Not stated	388.50
4"	Not stated	471.75
5"	Not stated	777.00
6"	Not stated	932.40

Listed prices exclude VAT.

Price, stock, quantity discounts, cutting/roll options and freight are confirmed in the written quotation. This document states no price-validity period or delivery commitment.

Sizes use the catalogue nominal designations. An inch conversion does not replace actual inner/outer diameter or connection tolerance data.

Technical review

Verify actual inner/outer diameter, tolerances, material, temperature, fluid and outdoor suitability against the selected product's current technical information. Unverified values are not added to this sheet.

Quotation details

Share the product name or code, size, total metres/pieces, required continuous lengths and delivery destination. Include operating conditions and any documentation requirements.
