

PRODUCT INFORMATION SHEET

Light Blue Polyethylene Pipe

Revision: 27.09.2026

This document reflects catalogue data on 27 September 2026.

Colour alone does not establish pressure rating or drinking-water suitability for white or light-blue PE pipe. Request material grade, outside diameter, pressure class and applicable documents together.

Listed prices exclude VAT.

Price, stock, quantity discounts, cutting/roll options and freight are confirmed in the written quotation. This document states no price-validity period or delivery commitment.

Sizes use the catalogue nominal designations. An inch conversion does not replace actual inner/outer diameter or connection tolerance data.

Technical review

Verify actual inner/outer diameter, tolerances, material, temperature, fluid and outdoor suitability against the selected product's current technical information. Unverified values are not added to this sheet.

Quotation details

Share the product name or code, size, total metres/pieces, required continuous lengths and delivery destination. Include operating conditions and any documentation requirements.
