

PRODUCT INFORMATION SHEET

Super Clear Hose

Revision: 27.09.2026

This document reflects catalogue data on 27 September 2026.

Check the intended fluid and operating conditions alongside the clear body construction. Fluid type, temperature and pressure are needed for an accurate quotation.

Catalogue options

Catalogue size	Published class	TRY / metre
1/2"	Not stated	30.60
5/8"	Not stated	42.84
3/4"	Not stated	61.20
1"	Not stated	93.84
1 1/4"	Not stated	122.40

Listed prices exclude VAT.

Price, stock, quantity discounts, cutting/roll options and freight are confirmed in the written quotation. This document states no price-validity period or delivery commitment.

Sizes use the catalogue nominal designations. An inch conversion does not replace actual inner/outer diameter or connection tolerance data.

Technical review

Verify actual inner/outer diameter, tolerances, material, temperature, fluid and outdoor suitability against the selected product's current technical information. Unverified values are not added to this sheet.

Quotation details

Share the product name or code, size, total metres/pieces, required continuous lengths and delivery destination. Include operating conditions and any documentation requirements.
