

PRODUCT INFORMATION SHEET

Thick-Wall Braided Hose

Revision: 27.09.2026

This document reflects catalogue data on 27 September 2026.

Assess actual dimensions, reinforcement and weight per metre together. The Thick-Wall name does not specify a pressure rating or guarantee a longer life in every application.

Catalogue options

Catalogue size	Published class	TRY / metre
1/2"	Not stated	20.40
5/8"	Not stated	27.54
3/4"	Not stated	35.70
1"	Not stated	55.08

Listed prices exclude VAT.

Price, stock, quantity discounts, cutting/roll options and freight are confirmed in the written quotation. This document states no price-validity period or delivery commitment.

Sizes use the catalogue nominal designations. An inch conversion does not replace actual inner/outer diameter or connection tolerance data.

Technical review

Verify actual inner/outer diameter, tolerances, material, temperature, fluid and outdoor suitability against the selected product's current technical information. Unverified values are not added to this sheet.

Quotation details

Share the product name or code, size, total metres/pieces, required continuous lengths and delivery destination. Include operating conditions and any documentation requirements.
