

FITTINGS INFORMATION SHEET

Valve Boxes

Revision: 27.09.2026

This document reflects catalogue data on 27 September 2026.

Choose a valve box by nominal cover size and installation needs; inch values are catalog designations.

Price and availability: on request

Request a quotation with the product code, size, quantity and delivery destination. No prices or technical values beyond the published catalogue information have been added.

Pack quantity is not an order or minimum order quantity; confirm current packaging in the quotation.
